

IMPERATIVES

HYPOTHETICAL	<i>problematically</i> practical principle	rules of skill technical imperative	I ought to do something because I <i>happen to</i> will something else. - discretionary end - possible purpose
	<i>assertorically</i> practical principle	counsels of prudence pragmatic imperative	I ought to do something because I <i>essentially</i> will something else (e.g., my own happiness). - naturally necessary end - actual purpose
CATEGORICAL	<i>apodictically</i> practical principle	commands (laws) of morality moral imperative	I ought to do something regardless of whether I will anything else. - apart from any other end - without reference to any purpose

THE SUPREME PRINCIPLE OF MORALITY (CATEGORICAL IMPERATIVE) AND ITS FORMULAS

0. FUL: Act only in accordance with that maxim through which you can at the same time will that it become a universal law.
 1. FLN: Act as if the maxim of your action were to become by your will a universal law of nature.
 2. FH / FEI: So act that you use humanity, whether in your own person or in the person of any other, always at the same time as an end, never merely as a means.
 3. FA: The idea of the will of every rational being as a will giving universal law.
- FKE: Act in accordance with the maxims of a member giving universal laws for a merely possible kingdom of ends. -or- All maxims from one's own lawgiving are to harmonize with a possible kingdom of ends as with a kingdom of nature.

DUTIES

	to ourselves	to other humans
