BASIC DIAGRAM OF GOD

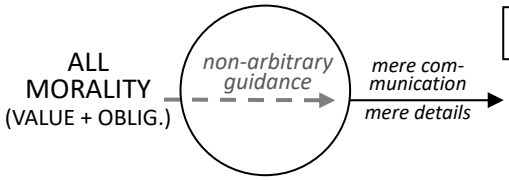

INTRO CLASS EUTHYPHRO DILEMMA

divine command theory

independent moral standards

THEISM

- or, might as well, -

ALL MORALITY (VALUE + OBLIG.)

ATHEISM

PROBLEMS

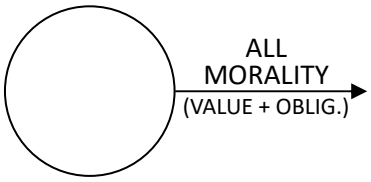

- arbitrariness
- 'anything goes'
- rationality
- why commands obligate
- God's own goodness

PROBLEMS

- sovereignty
- omnipotence
- divine free will

HISTORICAL EUTHYPHRO DILEMMA

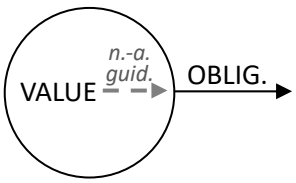

radical divine voluntarism

Ockham? Descartes? Hobbes? Szydlovius?

"Nothing superior to God's will!"

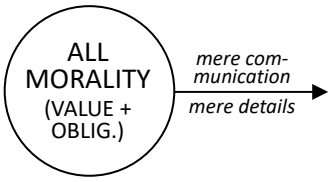

restricted divine voluntarism

Suárez, Culverwell, Barbeyrac [Adams, Alston, Quinn]

"No obligation/law without the command of a superior!"

divine intellectualism

Cudworth, Malebranche, Leibniz, Clarke, Balguy, Cockburn, Price

"Commands can't obligate without a non-command-based obligation!"
+
"No eternal/necessary truths without an eternal/necessary mind!"
